

Local Rules

- The removal of stones in bunkers is allowed by declaring them to be “movable obstructions” (Rule 24-1).
- In the field of play, if a ball strikes an elevated power line or cable, the stroke **MUST** be cancelled and replayed, without penalty. If the ball is not immediately recoverable, another ball may be substituted. Proceed under Rule 20-5.
- The embedded ball rules applies “Through the Green”.
- For all play at this course, a player may obtain distance information by using a device that measures distance only. However, if during a stipulated round a player uses a distance measuring device that is designed to gauge or measure conditions that might effect his play (eg. Gradient, wind-speed, temperature, etc.) the player is in breach of Rule 14-3, for which the penalty is disqualification, regardless of whether any such additional functions are actually used.
